

STYLUS 1969

What is the 1969 STYLUS? Is it not a book which aims to arouse memories as vivid, years from now, as they are today? Is it not an attempt to capture meaning, to re-create the spirit of a year? Is it not an effort to speak to each of us about ourselves? Is it not all of these things, but even more, the essence of Windber—its people, its happenings, its existence.

Administration

In the field of public education, the role of superintendent of schools requires many forms of experience—experience in leadership, experience in guiding and instructing the young, the experience of soul-searching study in various fields and areas of knowledge, and the experience of working in the complexity of management.

With his far-reaching and modern views on education and the people it involves, Mr. Dan K. Jacobs far surpasses the job of superintendent of schools in our district.

Mr. Frank P. Alcamo, principal of Windber Area High School, is highly respected and admired by both faculty and students. His interest in student activities has enabled him to play an important role in developing a fine reputation for our school, and at the same time obtain a meaningful relationship with the student body.

The duties of a high school principal can often be challenging, but in his years of service to our fine institute of learning, Mr. Alcamo has managed to overcome any obstacles he might have met. It is through these qualities of leadership that Mr. Alcamo continues to guide Windber Area High School toward the ultimate goal in education, and will continue to do so in years to come.

 The 1960 "STYLUS" Editorial Staff wishes to thank

 book a complete success, and to each other, for their

"Whether it be in football, basketball, baseball, or track, the varsity athlete has a well coordinated and conditioned body, both physically and mentally. Just as it takes a nation as a whole to succeed, it takes a team as a whole to have victory. Thus, in doing so, they have set examples for the oncoming athletes who will replace them, and they have gained great respect and admiration for our school body "

A Tribute to the Senior Gridders

TONY RIZZO, FULLBACK

Tony was co-captain of the Ramblers this year and held starting berths on both the offensive and defensive squads. Though hampered by an ankle injury most of the season, he led the Ramblers in scoring and did a fine job at line-backer after playing a defensive back for the previous two years. For his outstanding play, Tony was named as a recipient of one of the Tribune-Democrat's player-scholar awards given for the first time this year.

TOM PAPINCHAK, TACKLE

Though he tipped the scales at only 140 lbs., "Pinchy" was one of the main stalwarts of the Rambler defensive line. His size and quickness enabled him to outmaneuver his usually heavier opponents, and he was one of the leading tackles on the team. One of his best games was against Johnstown when he recovered a fumble and made several key tackles.

GEORGE GERULA, GUARD

George filled the left guard position very well this year, and did a respectable job as the trap blocker on off-tackle plays. George had one of his best games against Northern Cambria when he threw several key blocks to spring our ball-carriers for long gains.

GREG SKOWRON, TACKLE

Greg, a two year letterman, held down an offensive tackle berth and was mainly responsible for protecting the quarterback on pass plays, but his blocking on dive plays helped Windber's ground game considerably. Greg also filled in at defensive end for several games.

LEO KOPOSKO, END

Leo alternated at offensive tight end throughout the season and proved a valuable asset to the Ramblers' ground attack. "Big Leo" also offered a threat to the defensive secondary with his fine pass-catching ability.

TOM ELIAS, WINGBACK

A reserve wingback, "Eli" was also a member of the Ramblers' speciality on kickoffs. His fine coverage helped keep Windber's opponents from getting good field position on their returns.

NICK COSTANTINO, END

Nick was a member of the team kickoff receiving squad and also a reserve end. He filled in several times when regular starters were injured and a back-up man was needed.

RON ZIMCIK, WINGBACK

"Zem" was originally slated to be the starting quarterback this year but was shifted to wingback after a shoulder operation following a motorcycle accident during the summer. Despite the injury, Ron held starting berths at wingback and as a defensive halfback.

DENNY SHAFFER, RESERVE TACKLE

Denny, a reserve tackle, saw little action during the regular season but was always around to fill in when needed most.

LARRY MARX, END

Larry sat out the first part of the year on the bench, but took over the defensive end position at mid-season, and proved himself worthy of the job. Larry had probably his best game against Westmont where he helped throw the opposing quarterback for several big losses.

The Ramblers, in their second year under Harold Price, opened the 1968 grid season on a sad note by losing to Bishop Guilfoyle 19-7 at Windber Stadium. Tony Rizzo scored Windber's only touchdown on a nine-yard dash in the fourth quarter.

Windber hit the road to Barnesboro for the next game and played to a 20-20 tie with Northern Cambria. The Ramblers had taken a 20-7 lead into the last quarter but saw that lead go down the drain in the closing minutes of the game.

The following Saturday night, Indiana visited Windber Stadium and handed the Ramblers their second defeat. After a scoreless first half, the Indians pushed across two touchdowns in the final two quarters to set the score at 13-0. Costly errors helped Indiana break their losing streak at Windber

Coach Price's team tasted defeat for the third time in four weeks when a powerful Punxsutawney team drubbed the Ramblers, 39-6. Windber's only score came in the final quarter on a two yard pass from quarterback Jim Lashinsky to Tony Rizzo.

Ron Zemcik zeroes in on an enemy halfback.

Windber hit the halfway mark of the season still without a win when they traveled to Somerset and took a 6-0 loss. A last quarter touchdown by the Golden Eagles proved to be the deciding factor as the Ramblers had four passes intercepted and couldn't sustain any long drives.

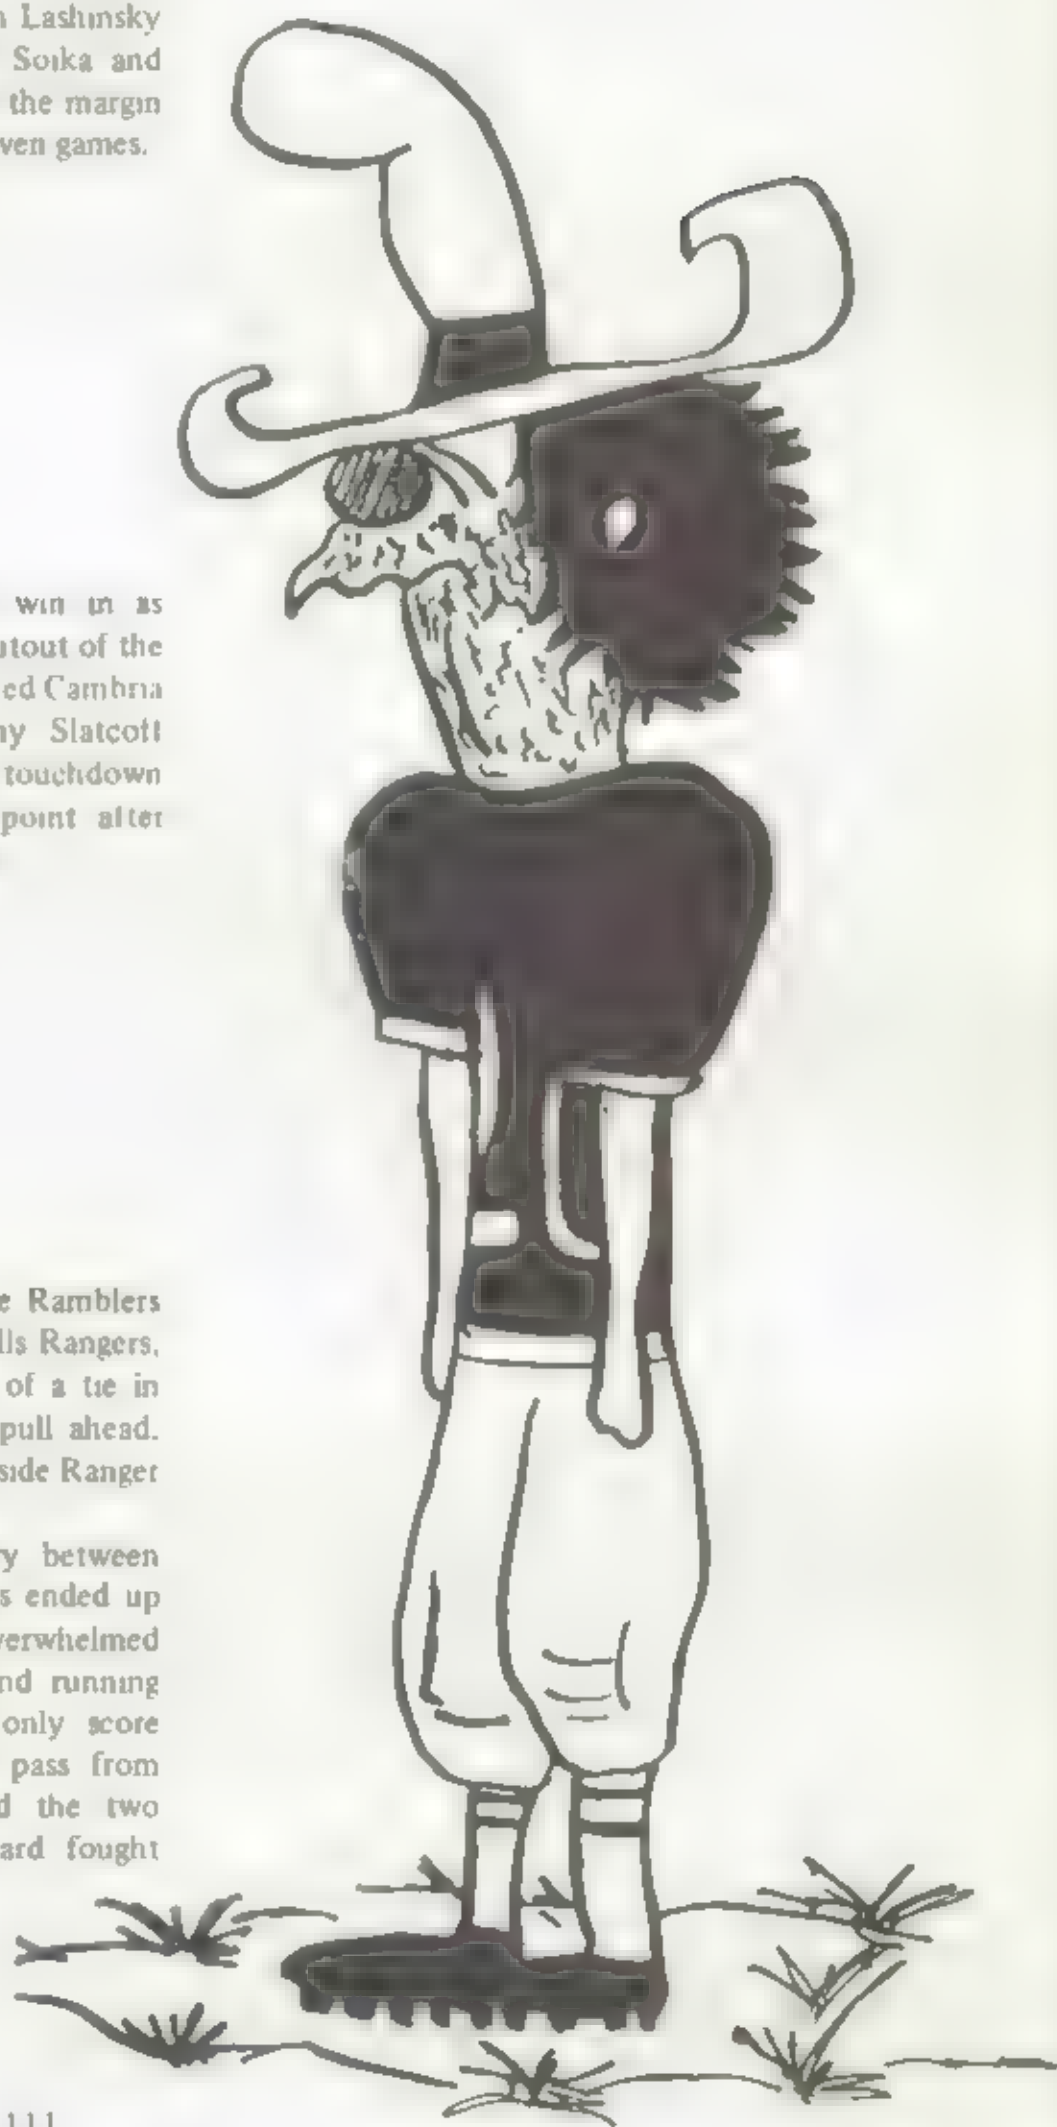

For the third time in six games, Windber absorbed a shutout when Conemaugh Township visited the Ramblers and went home with a 20-0 victory. Fumbles proved costly to the home forces as the visitors scored in every quarter but the last.

Pulling one of the area's biggest upsets of the season, the Ramblers nipped Westmont 7-6 in one of Windber's few afternoon games. A fourth-down pass from Lashinsky to Ochoa set up a one-yard plunge by Mike Soika and Albert Turk's soccer style conversion provided the margin of victory. This was the Rambler's first win in seven games.

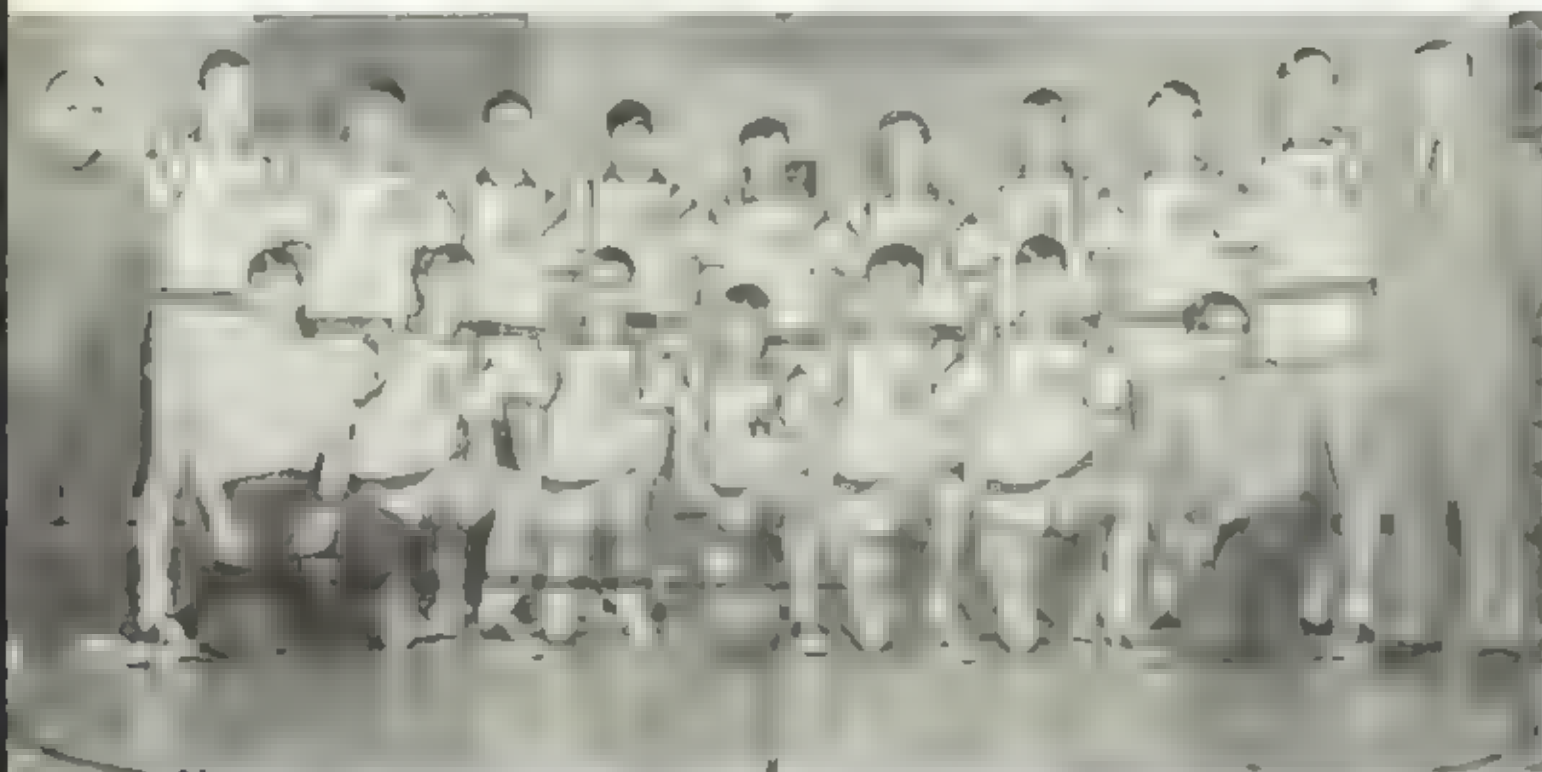

Windber notched its second win in as many weeks and also its only shutout of the season when the Ramblers defeated Cambria Heights 13-0. Soika and Tony Slatcott shared scoring honors with one touchdown apiece and Turk kicked one point after touchdown to set the final score.

On the road for the third straight week, the Ramblers dropped a nip-and-tuck game to the Forest Hills Rangers, 14-13. Windber had pulled within one point of a tie in the final quarter, and then had a chance to pull ahead. However, a last minute Rambler drive stalled inside Ranger territory as time ran out.

In the season finale, the traditional rivalry between Johnstown and Windber, the powerful Trojans ended up on top of a 40-6 score. Johnstown solidly overwhelmed the underdog Ramblers with their passing and running attacks, scoring in every quarter. Windber's only score came in the last quarter on a seven yard pass from Lashinsky to Korhut. This game completed the two schools' rivalry after 50 years and many hard fought clashes.
